

REMARKS

The Applicant respectfully requests further examination and reconsideration in view of the amendments above and the arguments set forth fully below. Claims 1-7, 9-15, 17-23, 25-29, 31 and 32 were previously pending in this application. Within the Office Action, Claims 1-7 and 25-29 have been rejected. By the above amendment, Claims 1, 11, 19, 25, 27 and 32 have been amended. Accordingly, Claims 1-7, 9-15, 17-23, 25-29, 31 and 32 are currently pending.

Rejections under 35 U.S.C. § 112

Within the Office Action, Claims 1-7 and 25-29 have been rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Specifically, it is stated that there is insufficient antecedent basis for the limitation "the electronic system" in Claim 1 and "the research system" in Claims 25. By the above amendment, Claim 1 has been amended to provide sufficient antecedent basis for the term "electronic system." By the above amendment, Claim 25 has been amended to provide sufficient antecedent basis for the term "research server." Accordingly, each of the Claims 1-7 and 25-29 are definite and do particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Within the Office Action, it is indicated that Claims 9-15, 17-23, 31 and 32 are allowed.

For the reasons given above, Applicant respectfully submits that claims 1-7, 9-15, 17-23, 25-29, 31 and 32 are now in a condition for allowance, and allowance at an early date would be appreciated. Should the Examiner have any questions or comments, she is encouraged to call the undersigned attorney at (408) 530-9700.

Respectfully submitted,
HAVERSTOCK & OWENS LLP
